Change Descriptions

- 2008 USPS Rate Change, effective May 12, 2008

Fixes

- **NONE**

Important Notes

- Warnings: **NONE**
- Limitations: **NONE**

Instructions

1. Insure that your software is eligible for the update. Check the [Quick Details](#) section of this document for eligibility information.
2. Verify that your product version is eligible for the update!
3. **IMPORTANT: EXIT** the MOS software **BEFORE** installing this update.
4. Download the update by clicking on the appropriate link on the MOS website Download page. MOS provides a ZIP format for the download as an alternate.
5. Place the .EXE Update file anywhere on the computer that runs the MOS software. If you downloaded the ZIP format, extract the EXE file from it.
